

FIRST INFORMATION REPORT - TEST COPY

Case: IO-2026-041 | **Location:** Shantivan Industrial Estate, Sector 18, Surat, Gujarat

Complaint Summary

Complainant Meera Joshi, warehouse supervisor, reported suspected theft of consumer electronics from Warehouse B-12 at Shantivan Industrial Estate. The rear shutter showed fresh scrape marks and the internal lock was found displaced.

Reported Inventory

Item	Quantity	Approx. Unit Value
Smartphone cartons	6	INR 28,000
Laptop cartons	4	INR 58,000

Initial Narrative

At approximately 22:35, the site guard Kunal Shah heard a metal impact from the rear service lane. At 22:41 he observed a white hatchback leaving the lane. The warehouse supervisor arrived at 22:52 and found the shutter damaged. The exact vehicle identity was not established at the scene.

Important Identifiers

Suspected vehicle fragment: GJ05-74___. Rear shutter scrape pattern: two horizontal scrape lines at approximately 0.9 m and 1.2 m above ground. No weapon was reported or recovered in the initial inspection.
